WE WANT YOUR *feedback!*

Our membership is important to us, as well as our member's experience. We're collecting feedback from our members to hear what we do well and what we can do better! Stop into the credit union to leave us your feedback and be entered in a drawing to win a \$50 gas card! Winners will be drawn in the first week of the new month. Drawing will take place once a month and will end in 2023.

The Credit Union Difference

Why do hundreds of millions of people worldwide choose credit unions? Because credit unions have a "people helping people" philosophy that compels them to consistently re-assess and improve their communities and the lives of their members. As a credit union, we at TruNorthern measure our successes through Member satisfaction. We celebrate our membership by returning profits back to the membership through higher rates and lower fees, as well as financially supporting organizations that are important to our community. We plan on taking time to celebrate our membership on October 20, 2022 on the 74th Annual International Credit Union Day! We will have complimentary cider and doughnuts available in the lobby. Visit us and celebrate with your fellow member-owners!

ELECTION RESULTS FROM THE 50TH ANNUAL MEETING:

- Curt Lyons was re-elected as Board President
- Jane Boyea was re-elected as the Vice President of the Board
- Carol Rhodes was re-elected as a Board Member.
