UP FOR RE-ELECTION

The Board of Directors is elected by the membership. The Board's responsibility is to provide general direction and control of the credit union. To carry out this responsibility, they must set direction, approve policies, ensure a sound financial condition, evaluate the CEO, and report to the membership at the Annual Meeting. A director of the credit union is, by definition, one who directs. They are not directed by the Treasurer or the CEO, the chairman of any committee, or others. Be sure to cast your vote at the Annual Meeting on August 29, 2023 at 5:30 in the TruNorthern lobby!

TruNorthern Federal Credit Union is seeking volunteers to serve on the BOARD OF DIRECTORS

QUALIFICATIONS

A volunteer for TNFCU must be an active member and in good standing with the credit union and have a sincere interest in the credit union and the financial welfare of its members. TNFCU volunteers are very much needed and welcomed. TNFCU follows their bylaws and has certain criteria that must be met to ensure the soundness of the credit union, and that the membership is kept in mind.

Directors should have an understanding of the kinds of problems faced by the typical member of the credit union and be sincerely interested in helping the members help themselves through effective use of the credit union. They should have an understanding of the structure of the credit union, and what the credit union movement is all about. All members of the Board of Directors will be bonded with CUNA and will sign a confidentiality agreement concerning the credit union and members' information. From time to time, training will be offered to enhance the knowledge and comfortability of the position that is held. This will be in compliance with the NCUA.

If you are interested in serving on the Board of Directors, please submit a letter of intent no later than **August 14th, 2023** to the credit union. Please send your letter of intent to:
