TRUNORTHERN & FIELDSTONE FOUNDATION ANNOUNCE:

***“Backpacks for the Future”* Campaign, a united fight against childhood hunger.**

TruNorthern has been a longtime supporter of the Backpack Program – a program that strives to fight childhood hunger in local communities by providing healthy, nutritious meals and snacks every weekend during the school year. The Backpack Program is a necessity in our community with many children relying on school food programs as their primary source of meals during the week. TruNorthern has helped fundraise for the program in years past, and matches donations made in the Malone lobby up to \$5,000.00. Last year, TruNorthern successfully fundraised \$2,900 to the Backpack Program.

One of TruNorthern’s goals is to provide \$10,000 to the Backpack Program in 2024, and is teaming up with the Fieldstone Foundation to assist with this goal. Both companies are headlining the ***Backpacks for the Future Campaign***, a fundraising campaign aiming to bolster lobby donations at TruNorthern’s Malone branch to feed local schoolchildren.

Currently, the Backpack Program feeds over 450 children weekly with additional families awaiting enrollment to the program. If you are interested in participating in the “Backpacks for the Future” campaign, please visit TruNorthern Federal Credit Union’s Malone location, located at 494 East Main Street where there is a secure box for donations to be collected.

We are now accepting applications for the Anne Anderson Memorial Scholarship!
